Soldier Registration Day Plans In Hamlin All Set For Wed., Oct. 16

The only difference between voting and registering, for possible army or navy service, in Hamlin next Wednesday, October 16, is the fact that one does not have to have a poll tax receipt, and only MEN will get to register. All men who have reached 21 on that day and have not reached 36 will march up and register, men of all colors, sizes, strong and weak, and there will be a lot of volunteers, mostly young ladies, who will help the "boys" fill out the long list of questions, etc.

In Hamlin, the registration places are the same as if one is voting. There are two boxes here, West Hamlin registrations (like voting) will be at the High School building. ALL registrants, on that day residing west of the Tuxedo voting precinct, and north of the Katy railroad, and west of Hamlin's Central Avenue (Main St.) and north of California Creek, are voters and registrants at the High School building.

The other box is East Hamlin, whose territory includes everything south of the Katy and east of Central Avenue, west and north of the adjoining districts. It is easy to know just where to register.

The same election judges who presided in the recent elections and who will likely preside in the general election in November, will conduct the Draft Registrations next Wednesday, October 16. Tate May in West Hamlin and Johnnie Agnew in East Hamlin. The hours will be long and ample for everyone to register. If you do not know all that is expected of you, better ask a lot of questions.

REGISTRATION DAY CALLS FOR HELP

On October 16th, the functioning of registration machinery, in the hands of volunteer workers, county officials, election Judges, and their clerks, school administrators and teachers, will be a tremendous task in the small time allotted to it.

Every volunteer worker will be making a contribution to the National defense program for which he should be commended.

Phone calls, letters and personal calls are being received by Geo. O. Harrell, County Clerk, throughout the county from volunteers offering their assistance on the day of Registration. Although the response is good, additional help is greatly needed, as it is anticipated that 80% of the voters in the Primaries will be required to register, and the anticipated time for each Registrant to register is from 20 to 30 minutes.

The place of registration is your voting box, and the hours for this are from 7:00 A. M. to 9:00 P. M. October 16, 1940. (49-2t)

P.-T. A. Membership Week, Oct. 13-19

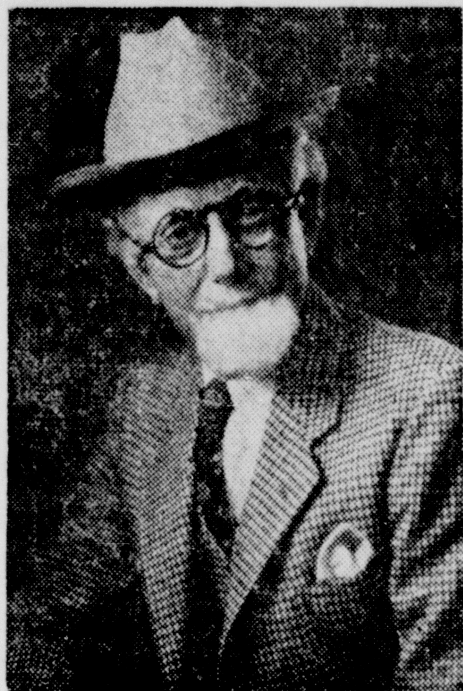

By Proclamation of
Gov. W. Lee O'Daniel

October 13-19 will be Parents' Week throughout Texas. This is a time when members of Parent-Teacher Associations are urged to enlist new members in this great cause of child welfare. A goal of 140,000 members has been set for the state this year. Be one of that number of persons who invest in the future of this country—the children of to-day.

Regardless of what we do to-day in national and international affairs, tomorrow must be safe-guarded, and the greatest safe-guard for tomorrow is the preservation of the physical, mental and emotional stability of our present generation of children.

Whether or not you have children in school, you may become a member of the Parent-Teacher Association, upon payment of annual dues of fifty cents, and thus help to further this great movement.

Mrs. S. B. Leslie went to Lubbock Tuesday to visit her two sons and their families. While there, she will take treatment for her eyes in the Plains Clinic.

HARLEY SADLER AND HIS NEW STAGE SHOW COMING

Elsewhere in this issue you will find an ad heralding the coming of America's oldest and leading stage shows. For something like 25 years this popular company has been playing here each season, and this year according to Mr. Sadler, the people of Hamlin and this section have a real treat in store for them in the way of a stage attraction. He has gone to the four corners of America for talent, which includes singers, dramatic artists, musicians, dancers, the best that could be found in their respective lines. Many new features will be introduced. Special scenery will be provided for each play. Harley has selected as his opening play a domestic comedy drama entitled "The Lovable Old Grouch," a brand new play that the Sadler company has never presented before. An outstanding feature this year will be the vaudeville talent, which will be presented by 30 minute presentations preceding the show. This presentation will be under the personal direction of Mr. Dick Darling, who joined the Sadler company direct from a Metropolitan engagement. Special costumes and Strobelite electrical effects which might be termed technicolor in vaudeville will be used, a feature not seen before in the southwest. The doors will open at 7:15. The vaudeville program starts at 8:10. Popular prices will prevail. General admission prices are 10 cents for children and 20 cents for adults. Special reserved chairs are 10 and 20 cents extra, government tax included. The Sadler show engagement will be sponsored here by the Hamlin Volunteer Fire Department.

From Dr. and Mrs. Joe McCrary

We want to thank all of our Hamlin friends for their many kind deeds and remembrances for us during our illness and absence. For the many lovely flowers, cards, letters, telegrams and most of all for your prayers which we feel have been answered. May God bless each one and reward you is our prayer.

STRAUSS DRY GOODS CO.

WILL BE CLOSED SATURDAY

In observance of a Jewish holiday, the Strauss Dry Goods Store will be closed all day Saturday, but will be open Saturday night. Read their ad in this issue of the Herald which lists some of the splendid bargains they are offering all day Friday and Saturday night.

ANNOUNCE OFFICE HOURS

Effective September 30th, office hours of the Farm Security Administration will be 8:30 A. M. to 4:30 P. M., Monday through Friday and 8:30 A. M. to 12:30 P. M. Saturday. Office days of the Rural Supervisor will be Wednesday and Saturday of each week. (Robert C. Cross, Rural Supervisor, Anson, Texas.)

Jack Miller, son of Mr. and Mrs. Pat Miller, enlisted Tuesday, Oct. 1, in the Field Artillery and is now stationed at Fort D. A. Russell at Marfa. Jack writes his parents that he is well pleased with everything.

Infant Buried Saturday

Kay Sharon, infant daughter of Mr. and Mrs. Uwell Maddox, of Hamlin, was buried Saturday morning at 10:30 o'clock in the Fairview Cemetery in Tuxedo. Funeral services were conducted by Rev. J. H. Skiles, pastor of the New Hope Baptist Church, and burial was in charge of the Kinney Funeral Home of Stamford. The baby was born dead Friday morning at 5:00 o'clock in the Stamford Hospital.

Grandparents are Mrs. Bell Maddox, of Hamlin, and Mr. and Mrs. C. E. Benham, of Hamlin.

Information is that Heflin Miller, who has been near death in the Sweetwater Hospital, is out of danger and within about two weeks he should be at home again. His brother, Mallory Miller of Troy, Alabama, and his sister, Mrs. Robert Payne Tucker of Piedmont, Alabama, came by plane to see him last Sunday.

Walter L. Cash was called to Shawnee, Oklahoma, last week by the death of his sister.

Dr. Joe McCrary was returned home from a hospital in Santa Fe, New Mexico, last Sunday after being in a serious condition for several days. He stood the trip fine and will remain in his home for some time yet to recuperate.

Mrs. J. D. Burk and children, Kitty and Joe, of Rotan, were guests Wednesday in the home of Mrs. Frank Waggoner.

Hamlin Grocymen Agree To Close On Sundays In Future

Under the leadership of the pastors of the various churches in Hamlin, the grocymen of this city have been prevailed upon to close their stores to all trade on Sundays, beginning with this coming Sunday.

Editorially speaking, this paper feels that such a step is very essential, not only in this small town of the nation, but for every nook and corner of our country.

Modern life is inclined to disregard the Sabbath Day in a thousand ways, and to get back to a deeper regard for that day of rest and worship, it becomes necessary to call a halt to some of the commercial practices that all of us easily drift into.

Ministers of Hamlin are doing good preaching to advocate a better observance of the Sabbath. Let's co-operate with the merchants, and we mean service station people as well, to help them get a rest on the Sundays. There are a lot of things more important than a few dollars.

FROM HAMLIN GROCERYMEN

We, the undersigned grocymen, have hereby agreed to close our stores on Sunday, and have covenanted together to stay closed, and we take this method of informing our customers. We urge our customers to stock up on Saturday.

Rev. Bud Robinson, Noted Evangelist, To Preach Here Sunday

We are happy to announce that "UNCLE BUD" ROBINSON will speak for us at eleven o'clock Sunday morning. (The last date, Sept. 15, was cancelled because of Mrs. Robinson's serious illness, who passed away Sept. 29.) Uncle Bud is a noted and unique character and an unusual speaker. You will enjoy hearing him.

Our Sunday School will open at 9:45. We have a class for you; come and enjoy that hour with us. At 11 o'clock Uncle Bud will preach as only Uncle Bud can do. The N. Y. P. S. will meet at 7:15 P. M. with the preaching service at 7:45. The pastor will use for his subject "The

Facts About Judah's Sin". W. F. M. S. will meet at 2:30 Tuesday afternoon.

Our mid-week service, Wednesday evening at 7:15 is an important service. You need to attend. Your presence will add to the service and the service will add to your spiritual life.

We urge every citizen and especially every Christian to give their full cooperation in the city wide effort to close all grocery stores all day Sunday. Buy your groceries Saturday or do without until Monday. Let's help our people who work in those stores get to church and Sunday School.

Cafe Has New Name And New Owners Now

It is the "BLUE BONNET CAFE" where once it was the Carmichael or the Evans Cafe.

For several days this famous cafe stand has been very silent, owing to the fact that the proprietor, Mr. Evans, closed the doors and failed to say goodbye.

The new proprietors are Mr. and Mrs. A. J. Hodges of Spur, who came down and opened up the place last Saturday morning, jumping at the chance to operate one of the most attractive cafe places in this section of the country. So the first thing they decided upon was a new name, and it is now the Blue Bonnet Cafe.

Neither one of the new proprietors is exactly NEW to this section of West Texas as they have lived in the Spur country since 1917 and besides Mrs. Hodges is reported to be a Stonewall County "girl". She is a sister of James Dunlap, of Ham-

lin, and that again makes her hardly a new comer. She has been in Hamlin from time to time and frequently since her brother became a grocymen in Hamlin.

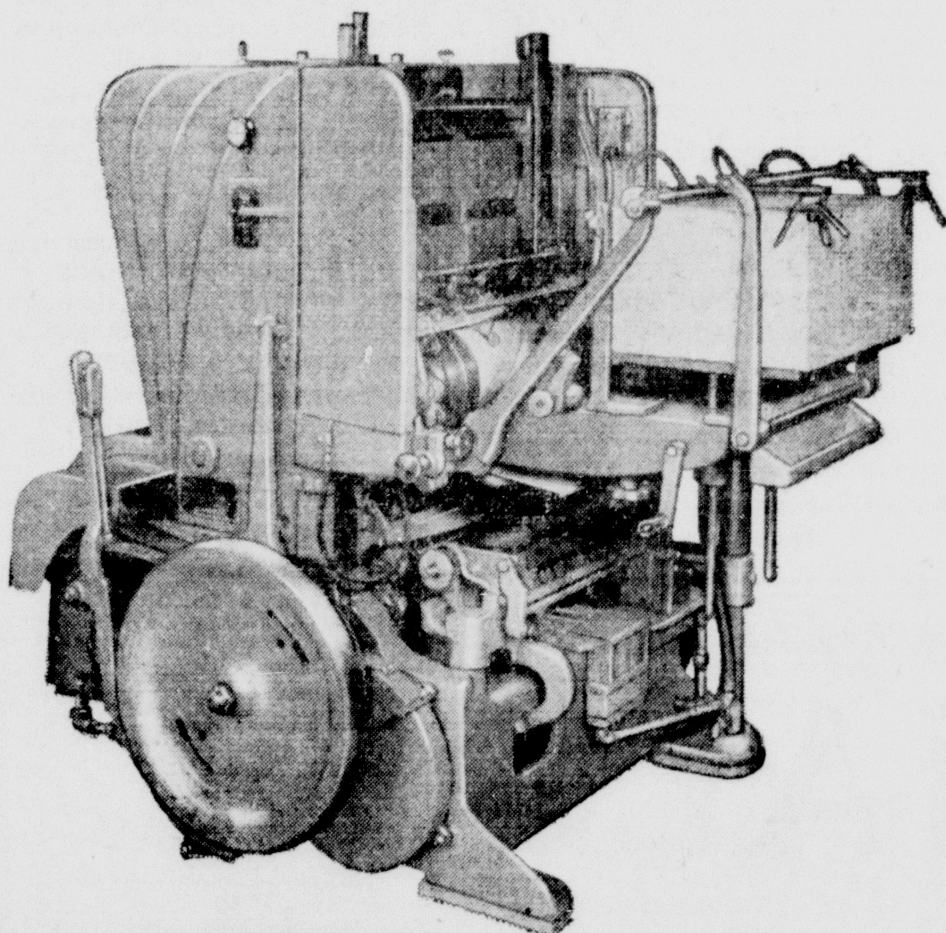

Mr. Hodges does not mind being called a brother-in-law of Jimmy Dunlap, but he is set to make it clear that Jimmy is not a partner in the cafe business. In other words, Mr. and Mrs. Hodges are sole owners and bosses of the Blue Bonnet Cafe in Hamlin.

Mr. Hodges has been in business many years in Spur, Roaring Springs and other places, and from his remarks, he has had an eye on Hamlin for a long time and now that he is here, he likes it very much. It would appear that he and his wife always held back because of the quality and scarcity of Hamlin's water, till now.

Here is hoping for this new family and citizens of Hamlin that they will continue to be pleased and will find this a city of successful progress for them.

Introducing . . .

The Herald's Newest Press **Miehle Vertical**

Model V-50
(Job Printing Press)

Perhaps when we tell our readers that this week we have been exceedingly busy installing a lot of new printing equipment, you will pardon us for omitting many items of news and information that would have found room otherwise.

The picture above represents the latest accomplishments in modern printing machinery, especially for general job printing purposes. This press left Chicago on September 25 and was ready for printing Saturday afternoon, October 5.

This press is fast and it is a show all by itself. It is completely automatic. All it needs is type forms and paper.—Press a button and away she goes.

The lowest speed is 3,000 per hour. Other speeds are 3,500, 4,000, 4,500 and 5,000, which can be attained by a slight change, taking but 15 seconds.

Our Miehle Vertical gives the Herald a capacity for fast and perfect printing, which will handle any number of thousands, even high grade color work.

In addition to the newest of new fast job presses, we have installed a new 24 inch perforator, an essential piece of machinery in a first class shop.

Our MIEHLE VERTICAL is a departure in job printing machinery—so rare that not many people have seen one in operation, and this applies to printers, too. Come in and see this press.—You will marvel at its speed and precision. If it is not running, leave your printing order—and we will call you when ready.

Hamlin Folks Saw Pipers Play Baird

-PIPERS TROUNCE BAIRD, 13-7-

Coach Marcus W. (Spec) Smith's Pipers thoroughly beat Baird in Hamlin's conference ice-breaker. From the opening kick off by Baird the Hamlin boys made yardage at will, but the scoring punch was definitely lacking.

Hamlin took the ball on their eight yard line and in a sustained march went to Baird's seven yard line before relinquishing the ball on a fumble which Baird recovered. Baird gained twenty-five yards on an exchange of punts as the initial quarter ended. The second quarter started with Tommy Hill taking a Baird punt on the fifty yard line and returning it to Baird's twenty-five where he fumbled it when hit exceptionally hard by Baird's right end, A. Burleson. Baird then ran a reverse to the left side of the line that was stopped for no gain. On the next play, however, they faked the same play and Bill Yarborough, Baird's fleet back, went off his own right tackle for seventy-five yards and a touchdown. Baird's point after touchdown was made on a kick from placement by Bill Yarborough. Hamlin then received the kick-off and march-

ed from their own thirty yard line to Baird's five yard line where Alvin Johnson, Hamlin's ace back, passed to Tommy Hill in the Baird end zone. The play, however, was called back and Hamlin was penalized fifteen yards when a Piper was caught holding. Two plays later, Johnson faded back and after being almost downed again passed to Hill and this time, the touchdown counted. The pass for extra point was blocked. The remainder of the first half was played in mid-field.

Statistics for the first half show that Hamlin made six first downs to Baird's none. The Pipers had four passes complete and four incomplete. Hamlin was penalized once for fifteen yards and Baird was penalized three times for twenty-five yards. Hamlin had four punts with an average of forty-six yards, while Baird had three punts with an average of forty yards. Hamlin, in the meantime, made two costly fumbles which were recovered by Baird.

The third quarter opened with Hamlin kicking to Baird who made a first down and kicked back to Tommy Hill who was dropped on the spot by an alert defensive man. The Pipers played "heads-up" ball the whole third quarter but were unable to score. The fourth quarter, however, was a different story, opening with Hamlin in possession of the ball but fifty yards from the goal line. Five plays gained forty-nine of these yards to put Hamlin on Baird's one yard line. This time the Pipers were not to be denied and promptly pushed over a touchdown. The score was made by Alvin Johnson and was his sixth of the year. Johnson then passed to Dean for the extra point, making the score 13-7. Hamlin kicked to Baird who tried desperately to score but was forced to kick back to Hamlin who took the ball on its own forty yard line and went to Baird's seven where they were halted by the final gun.

In the second half, Hamlin made seven first downs to Baird's three, thus giving the Pipers a thirteen to three advantage in first downs. Hamlin also intercepted two Baird passes as a proof of the fact that they were on their toes. Outstanding for Hamlin's Pipers were Alvin Johnson, Bobby Barrow, Galord Benham and Tommy Hill. Bill Harbert, Hamlin's

blocking back, gave one of the neatest exhibitions of down field blocking ever produced by a Hamlin ball club. Bill Yarborough, Baird's quarterback, played good ball but had no support.

The starting lineup for the Pipers was: Dub Wilemon, left end; G. W. Turner, left tackle; Galord Benham, left guard; R. M. Petty, Center; Bobby Barrow, right guard; Jack Ellison, right tackle; Lofton Brown, right end; Bill Harbert, fullback; R. A. Dean, quarterback; Alvin Johnson, right halfback; and S. C. Ferguson, left halfback. Hamlin's substitutes were Tommy Hill, halfback, and W. A. Brown, end.

Baird's starting lineup was: E. Gorin, left end; B. Glover, left tackle; F. Crow, left guard; W. Briscoe, center; J. C. Earp, right guard; B. Cutberth, right tackle; A. Burleson, right end; J. C. Cooke, fullback; Bill Yarborough, quarterback; B. Hatchett, right half; and R. Cook, left half.

Our compliments to the best team Hamlin has ever produced. If they always play the brand of football that they played against Baird, we seriously doubt that they will be beaten.

NOTE: The Herald has Jack Russell to thank for the detailed write-up of the Pipers' first conference game this season. Jack, you did a good job of reporting. Thank you.

Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK - DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

Next time, take time-tested, economical BLACK - DRAUGHT.

Book Shop News

By Mrs. E. M. Wilson

The great Texan, Mirabeau B. Lamar, made this statement: "Education and books are as inseparable as Siamese twins. While many kinds of worthwhile education are obtained outside of books, good books are essential tools, for in them one finds the crystallized experience of many people."

Mrs. Anna Belle Sills and Miss Mary Jo Sills, new members of the BOOK SHOP, are reading "My Son! My Son!" and "The Nutmeg Tree". Mrs. Sills is a teacher in the Plasterco School.

Just received, "The Raven," by Marquis James, the life story of Sam Houston. Mrs. Garnet Alexander is reading this "Saga of an American Giant."

What did she mean? "I visit my friends occasionally," remarked the book lover, "merely for the purpose of looking over my library."

Mrs. John W. Hendrix is reading "How Green Was My Valley". Mrs. Q. Martin has just finished reading it. (This book has everything: Comedy, tragedy, love, heroism and sacrifice.) We still have a waiting list.

Just received, "10,000 Jokes, Toasts and Stories"—A mammoth encyclopedia of wit and humor to give sparkle and fun to your club programs.

Mrs. G. P. Odom is reading "The Citadel" by A. J. Cronin—not exactly a new book but new to the BOOK SHOP. (You will just love it.)

Mrs. Holly Toler is reading "Stars on the Sea" by Van Wyck Mason. This is a vast drama, both gripping and authentic—a very worthwhile book to read.

Mrs. Hubert Morton is reading "The Eagles Gather" by Taylor Caldwell. Mrs. Morton is a new member of the Library. She has a great appreciation of good books and we anticipate a very pleasant association.

Mrs. J. F. Taylor is reading Stark Young's lovely story, "So Red The Rose". This is a novel of vital beauty, hardy romance and filled with tragedy, but told with wit.

Mrs. John Ed Day is reading "Sanfelice" by Vincent Sheean. (Ask Mrs. Day about this story.)

Miss Opal Cory is reading "Escape" by Ethel Vance. (You must read the book before you see the picture.)

Mrs. E. F. Fairley is reading "The Mortal Storm".

Mr. J. W. Burgess, a new member of the Book Shop, is reading "The Grapes of Wrath", John Stein-

beck's Pulitzer Prize story dealing with America's major problem, migrant labor.

Bibles and Dictionaries in stock for sale at the BOOK SHOP.

Mrs. Roy Dillard of Flat Top Community has just finished reading "Rebecca" by Daphne Du Maurier. Mrs. Dillard is promising herself lots of good reading come these long cold nights.

Zane Grey's latest book is entitled "30,000 On the Hoof". Mr. R. Y. Barrow has read it and his verdict is, "It's a good book."

Miss Billie Faye Rountree is reading "Angels May Weep" by Jane Abbott. (We think she is going to use this story for a book report.)

Have you met "Mrs. Miniver"? She is British and also international. A pleasant book to read at this time—America's best seller, at the BOOK SHOP.

Here's soliciting your membership.

More Information On McCaulley Oil Well

Interest continues to mount around the new oil well near McCaulley. However, it has been known for several years of oil of varying quantities is in that locality. But below is the latest information, as reported: Some possibility that a new pool might be in the making for East Fisher County was seen Monday with reports that a wildcat southeast of McCaulley had shown oil on preliminary tests.

The operation, F. A. Stephenson No. 1 Maberry, section 56-1-H&TB, is credited with having filled 800 feet with 40-gravity oil after plug was drilled from 51-inch casing set at 3,271 feet. Hole is bottomed at 3,302 feet in sand, and after two swab runs the well is credited with having made a head of oil.

At last report operators had halted testing temporarily, and during the time are said to have added considerable acreage to their holdings. Location is 660 feet from the south and 1,980 feet from the west line of the section.

HEARD IN THE HALLS

Are you caught up in typing? Got exercise 5? Gosh, I'm just on exercise two. Going to the football game tonight? What period are we going to assembly? Miss Whiteley, what are we supposed to do in English? Got your English IV? You have; let me borrow it next period. Let me see your theme, I don't know how to start mine. I'm going to Coach Smith's history class this period; boy do I dread it! My hair looks terrible. Who was kicked out of school yesterday? Give me some chewing gum. Hope we have a class meeting the 7th period because I have English. Miss Murphree assigned us some speeches for today, but I haven't got mine. I got two demerits last period for writing notes; that makes five I've got. Goodness, I've broken off one of my finger-nails. That's nothing, Mr. Grigg made us cut ours off before we could type. I skipped the eighth period study hall yesterday and didn't get caught. I sure did enjoy the show last night. I haven't studied my civics; hope Mr. Brooks doesn't give us a pop test. I'm sleepy; we didn't get in until 2 o'clock last night; guess I can sleep in the study hall. I didn't bring an excuse for being absent yesterday; hope Mr. Morton doesn't find it out. Mr. Caffey sure is making Physics hard. I made 45 on a test. I want to borrow some ink. I'll be glad when we get our senior rings. How do you like Miss Willis for a class sponsor? I got hurt in football practice yesterday. Don't you think Miss Murphree is pretty? I'll be glad when school is out.

WE WONDER WHY—

One of our senior boys couldn't be found all one Monday afternoon and night? Ask Norman L.
Some girls prefer blondes and some don't? Ask Thurston H.
Robert G. is so interested in school lately? Maybe there's a certain someone—after all these years.
Some of the Hamlin students prefer Stamford students? Play fair—patronize your own school first.
All the freshmen are wanting to learn to jitterbug so suddenly? Maybe they're wanting to follow in the seniors' footsteps.
Some students are going around with long faces? Could it be that so many ex-seniors have gone off to college?
Julia P. is wearing a ring on the third finger of her left hand? Gee, some people have all the luck.
A certain senior has a standing

date after every football game and with whom?

The football players were late getting in from practice Monday afternoon. What was the attraction, boys? W-A-T-E-R?

Bobbie T. has so much musical rhythm to her numbers? Could it be a certain orchestra player?

Bill S. was so embarrassed in English class Tuesday. After all, Bill, there is more than one type of curves.

Annie R. H. likes the location of her locker so well? Reckon she is going to give our senior queen some competition with her escort?

THE BARK OF 1950

(Taken from our future files)

Mr. T. W. Hill, that famous newspaper correspondent for the New York Times, will be in Dallas next week for a convention. All his friends in Hamlin hope he'll drop by to see them.

Miss Selma Hassen has just returned from a trip abroad. She has spent the last three months with her grandmother in Syria. Miss Hassen will resume her work as the governor's secretary.

Mr. G. W. Turner, foreman of the WPA, is hoping to put a new idea into the legislature that will make the work of the WPA much easier. We all hope he succeeds.

Miss Hope Cade, a new dress designer, has set the fashion world on flame with her new dress designs. Since Miss Cade is formerly of Hamlin, we hope she keeps on being the top dress designer of the day.

Miss Virginia Brown, the noted artist from Hamlin, has just completed a portrait of "The First Lady of the State." There will be a news photo of it in Sunday's paper.

Miss Joan Culberson, one of the top debutantes of the season, exclaims that she still can't find that certain man and she's been looking soooooo hard.

Miss Joyce Hudson, one of the state's best home economics teachers, won another contest for decorating the most attractive home. We wonder if she's preparing for her own little vine-covered cottage in the country.

HAMLIN VERSUS RULE

The Pied Pipers, fresh from this first conference victory, oppose the Rule Bobcats at Pipers' Field tonight. The Pipers will, in all probability, be without the service of the captain, R. A. Dean, due to sickness. However, the game is expected to

be very close.

Come out and see the Pipers GO after them in the second conference game.

HAMLIN OUTSCORES BAIRD 13-7

The Pied Pipers rang up their first conference win as they defeated the Baird Bears by the tune of 13-7.

In the first quarter, the Hamlin team pushed to the Baird's three yard stripe, but due to a fumble their sustained drive bogged down.

The second quarter was all for the Pipers, until a fumble started the Baird fireworks on their own thirty yard line. Bill Yarborough, fleetfooted back of the Bears, faked a double reverse and scattered 70 yards to pay dirt to put the Bears in front 6-0. Then Yarborough calmly banked his conversion off the goal post to convert, which left the score 7-0. In the closing minutes of the second quarter, Johnson, swivel-hipped back of Hamlin, spiraled a forty yard pass to Hill who was waiting in the end zone. However, the conversion missed and Baird still led 7-6. The third quarter saw no scoring, but the Pipers ground game was very impressive. Both teams fought hard, but Hamlin had the edge in first downs, 4-0.

In the early stage of the fourth quarter, the Pipers took advantage of a short Baird punt to march thirty-five yards for the winning touchdown. Johnson uncorked this offensive thrust by powering himself into the Baird line for ten yards. Then Dean, Harbert, and Hill alternated with Johnson to put the ball on Baird's three foot line. There after the first attempt failed, Johnson hit the middle to sew up the ball game. Dean caught the pass for the extra point with the final score reading, Hamlin 13, Baird 7.

Coach Smith is administering a new tonic to the fumbleitis of the Pipers. This night's game with Rule should show the marked improvement in ball handling.

DR. PEPPER BRINGS PEP

TO HAMLIN HIGH SCHOOL

Opening up his pep-giving show with a proverbial bang, Dr. Pepper brought to the students of Hamlin High his pep pills, salve and ointment in assembly last Friday. The stage was set as a medicine show with Norman Lasseter as Dr. Pepper, himself. His assistants, Billie Johnson and Bobbie Tims, passed out to the students free samples of his red hot pepper pills. So great was the effect of the pills living testimony was borne by Berneice Beard and Glen D. Adkins who showed how the pills pepped up the pep squad by leading them in some yells. Coach Smith even led some yells, and Mr. Grigg followed suit. From the amount of noise made in the pep rally, the samples of pep pills passed out to the students took immediate effect.

Adding a serious note to the program, R. A. Dean told the student body what good sportsmanship really is and urged Hamlin High students to be good sports at all times.

JUNIORS MAKE BIG PLANS FOR CARNIVAL

Juniors are completing plans for making the coming Carnival on Oct. 26 the biggest, best and most different Hallowe'en Carnival that Hamlin has seen.

Junior queen, Selma Hassen, is to be escorted by Don Coles and attended by Hope Cade and Inez Joiner.

The standing committees on the Carnival include booth, coronation, foods, float and advertisement. In a joint meeting last Friday stress was placed on making this year's carnival bigger, better and very new. Different and interesting booths, a more elaborate coronation ceremony, foods and fun galore is promised by the Junior Class.

The Carnival parade will be held Saturday afternoon, Oct. 26. All classes and clubs are joining to make it a parade of parades. The Carni-

val Saturday night is to be climaxed by the coronation of Queen of Hamlin High School.

The Juniors promise fun and all they ask is that you bring your best girl, your money, and come!

WORD FROM COACH SMITH

Who will rule Friday? Rule or Hamlin? This is a question that has to be settled on the field of play and the better team will rule.

The Rule boys are reported to be a battling team; they never are whipped but only out-scored at times. They are due to be real tough Friday night.

We, the coaches and team, really appreciate the support given us at Baird last Friday night.

A winning team never quits and a quitting team never wins.

A KEY TO FIRE PREVENTION

By Tommy Hill

"Somebody ought to have that old lot cleaned off!" Yes, in all probability you have heard that remark made to you every week by some of your friends. Yet, it is only fair for them to express their opinion, because after all whose life and property does it protect? There, now you have a rather adequate definition of Fire Prevention.

Although there haven't occurred any tragedies in our town recently, we should in all ways emphasize the necessity for taking precautions to avert the loss of lives and property from residence fires. The protection of life is the primary objective of fire prevention; secondly, the protection of property.

Every year, our statistics tell us that insurance rates are steadily decreasing, simply because people are being more careful about the uses of fire. In this way, more lives and property are being saved.

During Fire Prevention Week, members of the Fire Department and individual citizens should inspect premises to detect fire hazards. So, if everyone wants to do his part, he should heed this message of Fire Prevention by cooperating with the Fire Department and by carefully examining his own premises.

THINK OUT LOUD

By Carl Barton

Last Friday night was an outstanding historical event for Hamlin. With tact, determination, and courage the Pied Pipers proudly defended the green and white. Much honor goes to the team and to Coach Smith and Mr. Grigg for this outstanding performance.

There were others from Hamlin who made the twelfth man. Every Hamlin student present was glad to give his moral support. Mr. Hubert Morton was largely responsible for such a large number of students attending the game. Mr. Clyde Smith's band, our pep squad, and our pep rally Friday morning should also receive credit for the twelfth man.

With Dr. Pepper's pep pills, Hamlin isn't bum,
So look out, District, here we Pipers come!

FRESHMEN HAVE COLORFUL GARDEN PARTY

The freshmen class sponsors, Mr. and Mrs. M. T. York, Mr. and Mrs. James Dunlap, Mr. Glenn Caffey, and Miss Bernice Whiteley, entertained the freshman class with a garden party at the home of Mr. and Mrs. York, Thursday evening, October 3. The class colors red and white and strings of red and white fish were featured in a striking manner to give a gay air and emphasize the occasion.

Three hours were spent in playing various mixing games, in an exciting treasure hunt, and in putting on clever stunts.

The fish motif and the class colors were emphasized in the refreshments, which consisted of sandwiches, olives, potato chips, cake, and punch.

Guests included Mr. and Mrs. G. R. Bennett, Patricia Lee Bennett, Mr. and Mrs. Hubert Morton, Mrs. Glenn Caffey, and approximately sixty members of the freshman class.

Newly elected to the Cowgirls, co-ed social organization at Hardin-Simmons University, in Abilene, is Jane Bryson, H-SU sophomore, and daughter of Mr. and Mrs. C. E. Bryson, Hamlin.

Jane is following in the footsteps

of several sisters who have attended H-SU in previous years: Mrs. Binion, Mrs. Harold Heard, and Della Bryson. Also enrolled in school is Grover, a freshman. Jane is a member of the Physical Education Club.—H-SU News Service.

P-T. A. BEGINS MEMBERSHIP DRIVE

The High School P-T. A. is beginning its annual membership drive. The purpose of the drive is to reach

every mother and father that is possible and make them members of the P-T. A.

The drive will be run in the form of a contest between the high school classes, and at the end of the period the class having the biggest percentage of mothers and dads belonging to the P-T. A. will win a prize of

BAPTIST CHURCH

We made a good start on a new Sunday School year last Sunday. With 313 in Sunday School, and 48 out of our 53 teachers and officers present, we felt encouraged. And surely this is the time to put God first. He is our only hope today! All man-planned schemes have failed. What we need more than a new deal is a new heart—a heart attracted to God.

Let's crowd our churches Sunday. Let's have a march back to church while other nations are marching to war. You will find a warm welcome at our church. Sunday School begins at 9:45; morning worship at 10:50; Training Union at 7:00; and evening worship at 8:00. This is the last Sunday our Training Union and evening worship will begin at the above stated times. After this Sunday, Training Union will begin at 6:30 and evening worship at 7:30.

GROCERYMEN TO CLOSE

The grocermen have agreed to stay closed on Sundays. The pastors of the town met with them Tuesday and they are very concerned about the matter. LET ME REMIND YOU THAT YOU ARE GOING TO EM-BARRASS THESE GOOD MERCHANTS IF YOU ASK THEM TO SELL YOU GROCERIES ON SUNDAY. If they do, they break their agreement, and that would mean that many of the stores would be thrown wide open all day Sunday. Even if the grocerman lives in his store, leave him alone on Sunday. He deserves that day. If our nation loses the Sabbath, our nation has fallen. You won't have a part in any grocerman breaking his agreement. I feel sure. It is unlawful to sell groceries on Sunday, and, in my judgment, it is just as bad to buy groceries on Sunday. LET'S DETERMINE TO KEEP THIS TOWN CLOSED ON SUNDAY. As one grocerman said, "If we do keep these stores open, we will make our town a 'heel'." We don't like a "heel". Let's stand by them. (When you get your groceries Saturday, tell your grocerman you are glad he signed an agreement to stay closed.)

The yell leaders should get some credit for keeping the Hamlin circle in a roar of yells to make the boys fight. Why don't the school yell leaders get some uniforms for the place they are yelling? There is talk why doesn't someone do something? They deserve them and need them to make our school stand out.

DON'T NEGLECT FUNDAMENTALS IN YOUR NEW HOME

1 This is a corner of the foundation and footings. Your whole house rests upon it. It can never be replaced.

2 This is the same foundation with timber skeleton now in place. Again here is a part of your home that can never be replaced.

3 Here is a rough window opening from the inside. Notice how the framing members are doubled all around the opening. Dark shaded portions show insulation in place between the studding.

Glitter of Gadgets Often Distracts Builder From Quality Where It's Needed Most

Are you building a house for the first time? Then chances are you are in kind of a daze. There are so many things to decide, so many things to buy, so many more things you want and can't buy because there is just so much money. Now there's nothing less glamorous than the concrete footings and foundation. One doesn't show them off to one's friends, but if you skimp on either, you'll be busy for years to come trying to cover up cracked walls that all your friends will see.

Don't Skimp on Framework

Likewise the timber skeleton or frame of your house is going to be all covered up, but if you skimp on it you'll have sagging floors that squeak at every step.

And how about those great big holes in the wall, the rough window

openings. You can buy windows and window frames to fill these holes pretty cheap. And you'll pay for them for years to come in heat lost, drafty floors and wet walls. Or, you can buy carefully designed, precision built and factory fitted windows and window frames complete with weatherstrip that will be a joy and a comfort every year that you live in your house. Yes, and you'll find that the extra cost was money well spent because of heat bills, repair bills and redecorating bills saved.

Can't Replace Windows

Good windows are a permanent part of your walls. They protect your investment in insulation and quality construction. Any home without weathertight windows is only one-half insulated. So when you build, get down to fundamentals. Always remember—you can add the gadgets any time, but you can't replace footings or timbers or windows. They've got to be good right from the start.

WINDOW FOGGING CONTROLLED BY DOUBLE GLASS

Here is one way to control that annoying fogging and condensation on the windows in your new home. Shown here are three casement windows. Notice that two of them are entirely clear because of inside double glazing. The other window has had

the inside double glazing removed, with the result that it is fogged up almost immediately. When this picture was taken the inside room temperature was 71 degrees, while outside the thermometer stood at 15 degrees above zero.

Merry Makers Club

Mr. and Mrs. R. B. Wiar entertained the Merry Makers in their home at the Shell Pipe Line Station, Thursday evening of the past week. Games of 84 were played in which the women held high score. A salad plate with individual pies and Russian tea was served.

Those playing were Messrs. and Mmes. J. E. Moody, Ira Clements, Hubert Morton, L. E. Griffin, J. W. Ezell, Mmes. A. A. Hackley, H. O. Cassle, J. L. Keen, and Miss Eleanor Temple.

Miss Loucille Willis spent the week end in Cross Plains visiting relatives.

Officers Are Installed At W. M. S. Meeting

Faith was the subject of the devotional given by Mrs. M. P. May, Monday afternoon, at the First Baptist Church, when installation services for officers of the Woman's Missionary Society were held. The meeting was opened with singing the theme song, Jesus Saves. Following a brief business session, Mrs. W. L. Boyd presented the president, Mrs. H. O. Cassle, who introduced the officers and chairmen of circles and committees.

Assuming duties during this service were Mrs. Cassle, president; Mrs. D. W. Stell, vice president; Mrs. R. E. Johnson, recording secretary; Mrs. Dode Sanford, corresponding secretary; Mrs. Arthur Burns, chorister; and Mrs. H. E. East, pianist.

Circle chairmen are: Mrs. J. W. Ezell, Mrs. W. L. Boyd, Mrs. Roy Carmichael, and Mrs. Arlie Cassle.

Leader for Young Peoples Work and assistants: Mrs. G. P. Odom, Mrs. C. C. Prater, Miss Inez Howard, and Miss Fay Lavern Howard.

Committee chairmen are: Mrs. W. F. Johnson, personal service; Mrs. Hubert Morton, education; Mrs. H. E. East, mission study; Mrs. Jack Miles, stewardship; Mrs. D. W. Stell, missions; Mrs. H. A. Eckler, benevolence; Mrs. Carl Young, periodicals.

The society has reached the requirements to be a standard W. M. S.

Tuesday Club Meets With Mrs. Johnson

The first autumn meeting of the Tuesday Club was held with Mrs. W. F. Johnson hostess in her home, Tuesday afternoon. Games of bridge were played with Mrs. R. B. Wiar making high score for club members and Mrs. J. B. Eakin scoring high for guest.

Following the games, a dessert with coffee was served to Meses. J. W. Ezell, J. L. Keen, J. C. Culbertson, R. B. Wiar, D. O. Sauls, W. J. Poe, J. T. Bynum, J. B. Eakin, Bowen Pope, and Meses Eleanor Temple and Pearl Whiteley.

The Schubert Club Holds Annual Luncheon

The Schubert Club held its annual opening luncheon at the Morgan Hotel Saturday, October fifth, honoring the new president, Mrs. A. A. Hackley.

The club members were invited into the dining room where three tables were laid with white linens and centered with lovely floral pieces of bronze and yellow marigolds. Each found her place marked by an attractive place card. An attractive and delicious two course luncheon was served by the efficient personnel of the hotel.

Following the luncheon, Mrs. Ira Clements, vice president, presided over the program. The Club Collect was read in unison, followed by the singing of "America".

Greetings were extended by the past presidents who are yet active in the club, namely: Meses. Q. Martin, Bill Rountree, R. B. Wiar, J. E. Moody, W. C. Russell, Gordon Bennett, and L. H. McBride.

Mrs. Clements then introduced the new president, Mrs. A. A. Hackley, who gave a most interesting and inspiring address. Mrs. Hackley's very timely message was based upon Patriotism and Service. She pointed out that music can be of great service to mankind in the turbulent times the world is experiencing now because of its satisfying element, not found in any other art. She also called attention to the fact that America has now an opportunity, as never before, to establish herself as the music center of the universe. Each club member was inspired to deeper devotion to the club, and impressed anew with her responsibility, as a club member, to her community and to her nation.

The response, based upon "Fellowship", was very graciously given by Mrs. Clements.

Mrs. Hackley introduced the new club members, Meses. G. C. Barnes, C. F. Smith, and Miss Bernice Gilmore. Mrs. H. E. East and Miss Avelene Murphree are new members also, but could not be present at the luncheon. Two First District chairmen were recognized: Mrs. Gordon Bennett, who is Chairman of Music in Schools, Colleges and Universities, and Miss Edwina Gilbert, who is Chairman of Music in Religious Education, Junior Division.

Others enjoying the delightful occasion were: Meses. Henry Albritton,

Clinton Barrow, Harold Bonner, Fred Carpenter, Glenn Caffey, Travis Dean, Willard Maberry, John Hendrix, John D. Milburn, N. D. Miers, Luther Rector, Mart Farrow, Gerald Morgan, and Meses Geneva Albritton and Nadine Morgan.

Mrs. R. M. Thomason Will Speak At Garden Club

Mrs. R. M. Thomason, president of the Abilene Garden Club, will be guest speaker at a meeting of the Hamlin Garden Club to be held Friday afternoon, October 11, at 3:00 o'clock at the First Baptist Church. Mrs. Thomason is very prominent in Garden Club activities, having served as State Secretary of Garden Clubs and as a member of the State Park Board.

Miss Nadine Morgan Hostess To Sorority

The Beta Theta Chapter of Beta Sigma Phi met in regular meeting Tuesday night, October 8, in the home of Miss Nadine Morgan. After the business meeting, the program was given by Miss Loucille Willis.

The following members were present: Meses Edwina Gilbert, Loucille Willis, and Nadine Morgan; and Mrs. Perry Sparks and Mrs. Holly Toler.

Woman's Literary Club Luncheon With Mrs. Henry Albritton

Friday, October fourth, marked the 1940-41 opening of the Woman's Literary Club with a luncheon in the home of Mrs. Henry Albritton.

Guests entered attractively decorated rooms where tables were laid with madeira, centered by minute bouquets of flowers in colors of red, white and blue, and serviced with silver and china for four persons. The American Eagle Symbol bedecked the place cards.

The red, white and blue color scheme was attractively and deliciously repeated in the food of the three course luncheon served by the menu committee and hostess.

In the absence of second vice-president, Mrs. R. E. Johnson, Mrs. J. Frank Johnson presided over the program of the day and called on Mrs. Travis Dean to lead the group in the singing of "America". She then introduced the ten new members of the club: Meses. S. E. Brooks, R. H. Campbell, W. H. Eysen, Jr., H. E. East, J. W. Hendrix, J. D. Milburn, Tate May, Earl McLeomore, Hubert Morton, and E. R. Richardson.

The president, Mrs. Ted Armstrong, was introduced, whereupon she brought her address to the club. She stressed the change abroad in the world, and that America is facing a new day—that we as club women are pioneers in this new set-up of to-day, and must carry on to posterity, just as our predecessors carried on for us. We must meet the challenge and claim the heritage that is for the club woman to-day, she emphasized. Each woman present felt inspired to make this the very best year in the club's history.

The response and pledge of co-operation was given by Mrs. Tate May, first vice-president.

Mrs. Bowen Pope commented upon and read very effectively the Club Collect, which seemed to take on a new and deeper meaning for all.

Others present were: Meses. W. A. Albritton, G. R. Bennett, W. R. Calhoun, Arlie Cassle, H. O. Cassle, R. C. Clifford, E. F. Fahey, R. D. Moore, W. J. Poe, L. S. Sparks, D. W. Stell, Tom Teague, Wallace Walton, and Miss Allie Whiteley.

Gift Tea Honors Mrs. L. C. Bonds

Honoring Mrs. L. C. Bonds, a recent bride, Mrs. Joe Simpson entertained Thursday afternoon, Oct. 3, in her home on Central Avenue with a seated tea.

Pink roses, calendulas and zinnias were attractively arranged in the entertaining rooms emphasizing the color scheme of pink and yellow which was repeated in the attractive refreshment plate which held ice cream, cookies and mints. Favors were tiny net bags of rice tied with yellow satin ribbons.

Assisting the hostess in entertaining and serving were Mrs. J. W.

Hendrix, Mrs. R. W. Stubblefield, and Miss Constance Teague. Mrs. J. E. Moody was in charge of the pretty handmade bride's book.

Guests were given slips of paper and asked to write their favorite recipes which were assembled in a book and presented to the honoree. This was followed by an interesting "wardrobe contest" with Mrs. Bonds winning the prize which proved to be an array of lovely gifts in a small wagon decorated in white which was pulled into the room and presented to the honoree by little Miss Faith Simpson.

Guests present were Meses. Tom Teague, J. B. Terrell, Dick Low, B. H. Gardner, Buren Carlton, S. C. Ferguson, D. O. Sauls, Gordon Bennett, J. P. Morgan, Paul A. Fowler, Jack Russell, W. C. Russell, W. F. Johnson, L. E. Griffin, D. W. Stell, Jesse R. Bonds, Joe Bonds, Ralph

Mrs. Hugh Latham, of Abilene, was here Monday to visit her sister, Mrs. C. C. Prater, and her brother, Tom Neeley, and Mrs. Neeley.

Mrs. Frank Waggoner Hostess to Sub-Debs

Mrs. Frank Waggoner, sponsor of the Sub-Deb Club, entertained members of the club in her home Wednesday afternoon at 4:00 o'clock.

A short business session was held, after which an interesting program on the U. S. Flag was given. Sandwiches with a frosted drink were served.

Those present were Hope Cade, Sara Jo Holder, Mary Marguerite Nobles, Joyce Hudson, Herbie Faye Johnston, Charlotte Dillingham, Phylla Davis, Billy Faye Rountree and Joan Culbertson.

Mr. and Mrs. R. H. Campbell spent Saturday and Sunday in Delton visiting Mrs. Campbell's mother.

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

Melba McKinney and Hiram Prather were married last Saturday night in Anson, a surprise to their friends in this community. Miss McKinney has made her home with the A. L. Creggs' for years. Mr. Prather is a half brother to Alvin Gregg. They are at home in the Martin apartments in McCauley, and we wish for them many years of happiness.

The folks about town have about forgotten about the war since the world series is being played. At this writing, the Reds and Tigers are tied with three games each. If all of the people in the world would think more about ball games, horse races and the like and not so much about war, wouldn't it be a great place to live? And there are still things to think about besides SPORTS, for instance, RELIGION—it may take a world-wide revival to straighten things out and bring war mongers to their right minds.

O. R. Burnham, stockman and farmer, is in the hospital at Stamford very ill. Our last report is that Mr. Burnham is not any better.

Mrs. Vernon Harris, of Bonham, is visiting in the home of a sister, Mrs. Walter Peacock, this week. The Harris' are former residents of this community.

Lon Andress has opened the ice house and the folks are glad to know that we won't have to drive ten miles to get a little ice for dinner.

Mrs. W. E. Harugthy, mother of Mrs. Monroe Maberry, died in her home in Jacksborough last Sunday night. Mrs. Maberry was at the bedside when death came. Mrs. Harugthy had visited in McCauley on many occasions.

Mattress making is in full swing in the Bank building this week and there are a lot of people that will sleep more soundly this winter. Besides the government is getting rid of a lot of surplus cotton.

Buddy Boyd, son of Mr. and Mrs. Louis Boyd, was home over the week end from John Tarleton College. Buddy likes college life.

Mr. and Mrs. Polly Jackson spent the week end at Alpine, where they visited Stanley, who is a student in Sul Ross.

Fred Maberry visited his wife in Brownwood last week. Mrs. Maberry is there for treatment and is reported to be some better at this writing.

Word has come from Loui Jones and Jack Perryman that they are located in sunny California, where they are at work for Uncle Sam. Army life is O. K. they write.

Our government has ordered all Americans to get out of China, and it looks as if the jig is up as far as good relation is concerned between Uncle Sam and the Jap government. England has decided to again open the Burma road. All concerned have about come to the conclusion that appeasement will not work with any of the dictatorial powers. Most of our citizens believe that the time has come to put mass production to work now. There is no time to lose and it is a cinch that the English are going to have to form an axis of their own with Uncle Sam, and possibly other smaller nations. No one can forecast what the Russian Bear will do, but due to the fact that Russia is waiting to see which side will win the war before casting her lot, it is possible that Stalin will in the wind up join with the U. S. and England axis. We have been reading LIGHTNING IN THE NIGHT in Liberty magazine and most of us believe it couldn't happen here but on the other hand if we are not ready and prepared to fight on both oceans, then it is possible that we could be in a predicament as the story goes in Liberty. We need the leadership of FDR now more than any time in history. Somebody told us that a man by the name of Willkie was running for president. We wonder is he can carry Maine.—A DARDEN-O-GRAM.

DOVIE NEWS

By Vada Taylor

Giving an invitation to the adults to join them, the Young People of Dovie Church closed the summer season with an ice cream party Saturday evening, October 5. The party was at the home of Mr. and Mrs. Claude Bessire in Hamlin. After playing games, refreshments consisting of ice cream and cake were served. Everyone reported a nice time. The subject for last Sunday evening in the Young People's League was "Now Is the Harvest Time."

William Taylor was leader. The scripture was read by Hovie Green. Interesting talks were given by Ida V. Cooley, Virginia Lee Cooley, Morris Bessire and Kenneth Green.

Two good sermons were brought Sunday, October 6, by Rev. D. Rhea Allison. Sunday was Brother Allison's first time to preach at Dovie. He is a junior from McMurry College.

During the past week end, Alvis Cooley, of Abilene, was at home with his parents, Mr. and Mrs. R. H. Cooley.

Mr. and Mrs. Gerald Renfro visited last Sunday in the home of Mr. and Mrs. Slim Cooley.

"Build-Up" for Women Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain? If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result for many is less periodic distress. Or you may find this also helps ease your periodic discomfort. Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.

Today, America depends on the Telephone

"One, if by land, and two, if by sea."

Waiting on the outskirts of Charlestown, Massachusetts, Paul Revere fixed his eyes on the moonlit tower of the Old North Church. Suddenly the light of a lantern pierced the darkness . . . then another. The white road echoed the pound of galloping hoofs as the midnight rider called the sleeping countryside to arms.

One hundred years later, in an attic only a few miles from the starting point of history's most famous ride, Alexander Graham Bell gave the nation a faster, better method of communication—the telephone.

Today America needs no midnight rides like Paul Revere's. For this country now is protected by a vast telephone system owned by more than 600,000 American people, employing nearly 300,000 skilled men and women, and used by Americans from coast to coast.

In emergencies today, Americans turn to the telephone, knowing they will receive fast, dependable service—a telephone service backed by the nation-wide resources of the Bell System.
